EPR is payable at the first point of sale on every tonne of the above wheat varieties sold.

Seed of varieties in bold must only be purchased through the Licensee.

Growers can source "free to trade" varieties from any seller of seed.

AUTHORISED EPR COLLECTION AGENTS

The grain traders listed below have entered into an EPR Collection Agreement for InterGrain varieties.

Growers selling wheat of a variety listed above to a buyer not listed below, are required to contact InterGrain to make arrangements for payment of the EPR.
